**Re: *Primed Pharmaceuticals, LLC v. Starr Indemnity & Liability Company*
21-cv-1025 (PGG)(SLC)**

This firm represents Primed Pharmaceuticals, LLC ("Primed"). We submit this letter motion to request an extension of the date for the parties to submit a joint status report concerning the status of fact discovery and next steps, i.e. Dkt, No. 45.

The current due date for this joint status report is November 19, 2021. Primed request an extension of this date until December 17, 2021. We have conferred with Defendant's counsel Al D'Isernia and can report that Defendant consents to this request. No prior requests for an extension of this date have been sought or granted. Primed submits that good cause exists for this extension since its counsel has been dealing with urgent issues in another matter and therefore needs more time to complete the discovery that was discussed at the last conference and then discuss the next steps with Mr. D'Isernia.

Plaintiff's letter-motion requesting an extension of the deadline to file a discovery status report (ECF No. 46) is GRANTED, and the deadline for the parties to file a status report concerning the state of discovery and next steps in this action is EXTENDED until **Friday, December 17, 2021**.

The Clerk of Court is respectfully directed to close ECF No. 46.

SO ORDERED 11/12/2021

Respectfully submitted,
STERN & SCHURIN LLP
